

Rushcliffe Swimming Club

SUMMER NEWSLETTER 2009

👉 IMPORTANT CHANGES FROM SEPTEMBER

From the beginning of the Autumn term in September the Club will be charging for swimming lessons in advance in half term blocks. This means that when you arrive for your child's first swimming lesson in September you will be asked to pay for the following 8 lessons up to and including 24 October. Tuesday evening swimmers will pay for 7 lessons.

This will amount to £20 per child (£17.50 for Tuesday swimmers) and can be paid for by cheque or cash. Cheques should be made payable to Rushcliffe Swimming Club.

There are no changes to the Sunday Family Swim which will be "pay as you go" on the door.

By doing this we are able to keep lesson charges at £2.50. Membership fees will also remain at 2008 prices: Family Membership £45, 1 Adult and 1 Child £30, Single Adult £15.

This change is in line with the way most other sporting activities are charged for and will help with the administration of the club by eliminating the need to cash up and bank large sums of money each week (and the inevitable scrabble for change!).

If these new payment arrangements cause any members any difficulties please speak in confidence to a committee member or email Mick@gnass.co.uk

The Club will still operate a parent rota for the Saturday morning sessions to help take the register.

Please can we remind parents that if your child is of primary school age, you need to stay at the poolside during lessons.

Many thanks to those of you who have volunteered to help out as committee members and teachers.

And finally thank you for your continued support of the club this year. Enjoy your summer break and we look forward to welcoming you back in September.
